MEMORANDUM FOR THE DIRECTOR

Unless you perceive objection or unless these dates conflict with absences from the Washington area you might have planned, the following are my plans for the next three months:

★  
June 19-21: Westchester Country Club for marriage of my son;

August 5-19 (two weeks): Cottage on the York River near Williamsburg. I can keep in touch with Agency activities on a daily basis;

September 15, 16, 17 (dates not final but in this neighborhood): Opening day of dove season, for which Preot and I have had a date for thirty years.
